Authorisation for the Board of Directors to resolve on directed issue of Series C shares

With the deviation from the shareholders' preferential rights, the new shares may be subscribed for by a bank or securities company at a subscription price corresponding to the quota value.

The purpose of the authorisation and the reason for the deviation from the shareholders' preferential rights when the authorisation is utilized is to ensure delivery of shares to participants under the Company's outstanding incentive programs and to cover any social security costs related to such incentive schemes.

Authorisation for the Board of Directors to resolve on repurchase of Series C shares

The AGM resolved to authorise the Board of Directors to resolve on repurchases of Series C shares. Acquisitions shall be made at a price corresponding to the quota value of the shares. Payment for acquired shares shall be made in cash.

The purpose of the above authorisations is to be able to resolve on repurchase of Series C shares in order to ensure delivery of shares to participants in the Company's outstanding incentive

programs and secure payment of social security contributions attributable to such incentive programs.

Authorisation for the Board of Directors to issue new shares, warrants and/or convertible bonds

The AGM resolved to authorise the Board of Directors to resolve, with or without deviation from the shareholders' preferential rights, against cash payment, for payment in kind or by way of set-off, to issue ordinary shares, warrants and/or convertible bonds that involve the issue of or conversion into a maximum of 46,122,393 ordinary shares, corresponding to a dilution of approximately 20 per cent of the share capital and votes, based on the current number of shares in the Company.

The purpose of this authorisation and the reason for any disapplication of the shareholders' preferential rights is to increase the flexibility of the Company to finance the ongoing business and at the same time extend and strengthen the Company's shareholder base of strategic or long term investors. The basis for the issue price shall be according to the prevailing market conditions at the time when shares, warrants and/or convertible bonds are issued.
